

Château SAINTE-CATHERINE

Appellation : Cadillac Côtes de Bordeaux

Soil type : Clayey limestone and gravel

Superficie area : 35 ha (86 ½ acres)

Grapes varieties : 81 % Merlot and 19 % Cabernet

Wine making techniques : cold soak before fermentation, slow alcoholic fermentation with controlled temperatures, Vatting period adjusted after daily tasting to achieve the extraction of the finest possible tannins and aromas, Malolactic fermentation at a constant temperature

Ageing is carried out using staves

Planting density : 5 000 vines/ha

Average age of the vines : 20 years

Pruning method : double Guyot

Tasting comments : lovely deep ruby colour with gold tints, Very expressive bouquet so typical of the Cabernet variety with its hint of menthol and autumnal fragrances

“

It produces characteristically supple, round,

Generous wines, the latter feature being inherited

From the men and women who look after them

”

The lovely babbling Artolie stream that winds its way along the bottom of the narrow Paillet valley is reminiscent of Ancient Greece and has the atmosphere of Arcadia, the innocent, carefree land of shepherds.

The priory of Sainte-Catherine of Artolie used to lie upstream to the north-west. Since the 12th century, the door of the Sainte-Catherine chapel benevolently overlooks this plot of Gironde land that looks out over the River Garonne. The 56-hectare (138 acres) Sainte Catherine vineyard flourishes before a panorama that takes in the Garonne valley and the Landes forests beyond.

« The quality of Sainte Catherine wines is primarily down to the soil and the vines »

It is now owned by Jean Merlaut, who required it in 2013. Merlaut is a wine grower and passionate visionary, who seeks out, enhances and optimises high-potential terroirs. More specifically, he manages Château Dudon, Malagar (the former property of François mauriac) and Gruaud larose, a Saint Julien 2nd Grand Cru Classé. Around him a team of committed and enthusiastic women and men strive to achieve excellence in their work on the land, thereby contributing to the reputation for quality and enjoyment of our complete range of wines : whites, reds and rosés. Our wines have won awards at different competitions.

2018 – Technical Data sheet

Blend : 81 % Merlot and 19 % Cabernet

Harvest dates : started on September 23th and ended on October 5th 2018

Yield : 52 hl/ha

Production : 40 500 bottles

Bottled : from 28th to 29th March 2019

Tasting comments : Dark colour, a nose of subtle spices, red berries and stale tobacco. The palate is supple enhanced by round tannins. A fresh and pleasant wine with toasted notes.
