Ageing is 100 % in vats

Planting density : 5 000 vines per hectare

Average age of the vines : 20 years

Pruning method : double Guyot

“

It produces characteristically supple, round, generous wines, the latter feature being inherited from the men and women who look after them

”

The lovely babbling Artolie stream that winds its way along the bottom of the narrow Paillet valley is reminiscent of Ancient Greece and has the atmosphere of Arcadia, the innocent, carefree land of shepherds.

The priory of Sainte-Catherine of Artolie used to lie upstream to the north-west. Since the 12th century, the door of the Sainte-Catherine chapel benevolently overlooks this plot of Gironde land that looks out over the River Garonne.

The 56 hectare (138 acres) Sainte Catherine vineyard flourishes before a panorama that takes in the Garonne valley and the Landes forests beyond.

« The quality of Sainte Catherine wines is primarily down to the soil and the vines »

It is now owned by Jean Merlaut, who acquired it in 2013. Merlaut is a winegrower and passionate visionary, who seeks out, enhances and optimises high-potential terroirs. More specifically, he manages Château Dudon, Malagar (the former property of François Mauriac) and Gruaud Larose, a Saint Julien 2nd Grand Cru Classé. Around him a team of committed and enthusiastic women and men strive to achieve excellence in their work on the land, thereby contributing to the reputation for quality and enjoyment of our complete range of wines : whites, reds and rosés. Our wines have won awards at different competitions.

2020 – Technical Data sheet

Blend : 80 % Merlot, 20 % Cabernet

Harvest dates : started on September 21st and ended on October 2nd 2020

Yield : 52 hl/ha

Production : 53700 bottles and 1023 ½ bottles

Bottled : from September 1st to September 2nd 2022

Tasting comments : Dark, dense color. Black fruit and white pepper on the nose. Dense attack, silky tannins, volume on the palate, long liquorice finish.

In conversion to organic farming (FR-BIO-01)
